

INFORMATION ABOUT YOUR E-VISA APPLICATION FOR TANZANIA

Please read this document before starting your e-Visa application for Tanzania.

Visas for Tanzania can be obtained in advance or on arrival in Tanzania.

WHEN TO APPLY FOR VISAS IN ADVANCE: submit your application 45-60 days prior to travel – visas are valid for one visit within a year after the date of issue.

Please note that e-Visa platforms work best when using Internet Explorer, Chrome, or Edge.

WHERE TO APPLY:

<https://visa.immigration.go.tz/>

HOW TO APPLY:

Create an application ID – you will need your passport information.

You need to set a security question (make a note of the question and your answer as you will need them to access the application if you exit it at any time).

TO COMPLETE THE APPLICATION, YOU WILL NEED:

1) Your valid passport (should be valid for at least 6 months after your return to North America)

2) A current color portrait passport photo with plain background as a .jpg or .png file, size should be 300KB max

3) A color photo of your passport bio data page as a .jpg or .png file, size should be 300KB max

4) A copy of your air tickets as a .PDF, size should be 1MB max. **Lion World Travel will provide this if we have booked your flights.**

5) All travelers, **regardless of age, need a visa** – parents should complete their application before applying for their children's.
